## Contemplates Carillon of Same for New York Church

---

[Special Dispatch to The Herald]

GLOUCESTER, July 26—John D. Rockefeller, Jr., paid a short visit to Gloucester this afternoon to hear the new carillon of bells installed in Our Lady of Good Voyage Church, which were played for the first time on Sunday. Accompanied by his secretary, Mr. Rockefeller came by train from his summer home at Seal Harbor, Me.

He was met at the railroad station by Capt. Manuel P. Domingoes, Aldermen Antoine A. Silva and G. L. Taylor of England, manufacturer of the bells, who came here for the installation. At the church Mr. Rockefeller met the Rev. Francisco G. Martin, the pastor. After an inspection of the church property and the playing balcony, the party went to the top of Mount Vernon hill, near, where a half hour's concert was given for the benefit of the visitor, by Carillonneur George E. B. Stevens, assisted by Edward Shipman Barnes, a New York organist.

Mr. Rockefeller was much impressed with the bells. It is understood that he is interested in the purchase of a similar set of chimes for a New York church. He was here only a short time, leaving for Boston later in the afternoon.
